Satellite Operational Commands
http://oresat.org/pub/satellite_operational_commands.pdf
5-Dec-2019

Note:
This is a preliminary document for the most part because the OreSat software development team is currently working on this aspect of the project.
20-Dec-2019

[IARU 5d]

Optional: Give the complete space station turn off procedure.

The space station turn off procedure is described in the satellite operational commands document, found at:

http://oresat.org/pub/satellite_operational_commands.pdf

-> CCSDS reference
